# Main Points

Hazard		Impacts	Location	Timing
Heavy Rain		Flooding of creeks, streams, urban areas, and poor drainage areas possible especially if the heavy rain falls over areas that had flooding this past weekend.	Possible across the region	Thursday night through Saturday morning, though the heaviest looks to be Friday afternoon into Friday night.
Strong Winds		Tree damage possible with the strongest storms.	Delmarva, Central and southern NJ, and far southeastern PA	Highest risk Friday afternoon
Hail		Small hail is possible with the strongest storms	Delmarva, Central and southern NJ, and far southeastern PA	Highest risk Friday afternoon

# Summary of Greatest Impacts

# Forecast Rain Amounts Thurs.-Sat.
